Oregon Family Equestrian Activities

**"When you join OFEA,
you belong to an
organization dedicated
to providing excellent
events and awards for
its members."
— Edra Spielman, OFEA
founding member**

Since 2000, Oregon Family Equestrian Activities (OFEA) has been bringing families and horses together in performance events which are consistent and fair – and at the same time, friendly and relaxed.

Each year, the top five exhibitors in more than 50 categories and top five overall competitors are honored at the OFEA awards banquet.

OFEA awards also recognize outstanding sportsmanship, volunteer service, and contributions to horse rehabilitation and rescue.

Open to youth and adults, OFEA membership is valid for the calendar year. Visit our Web site for more information about OFEA events and to download the membership form.

**If horses are important in
your life, there are plenty of
reasons to join OFEA.**

- With nearly 300 members and growing, OFEA provides an ideal opportunity to meet others with the same interests.
- If you enjoy competition, OFEA offers all age divisions, from 10 & Under to 39 & Over, in open, schooling and gaming shows.
- For recreational riders, OFEA's trail logged hours program recognizes achievement levels reached by the participants.
- Points earned at OFEA sponsored and approved shows count towards OFEA's great year-end awards.
