

Whatsapp Sign Up Instructions

OFEA is launching a Whatsapp Community for the 2025 Show Season!

I will also be posting patterns on here as well, so make sure you sign up before the first show! I will be doing different groups for each of our shows so you are not inundated with messages from a show that you aren't at!

Step 1

Download WhatsApp to your mobile device

Step 2

Scan QR Code to access OFEA Community

Step 3

Select 'Join Community' to join the OFEA Community

Show announcements, general information, and patterns will be posted here.

Step 4

After joining the Community you will see the different groups.

The groups are a separate channel where we will announce class status, break times, etc.
