

Obtaining OFEA Approval for Your Show

Before applying for OFEA show approval, please read the following information
OFEA rules have changed.

Judges with guest cards may judge only one OFEA approved show during each calendar year. The guest card fee is \$10.

Late Fee for Overdue Show Results - Show Management must provide show results within 14 days of the show date or will be assessed a late fee penalty of \$5 per day, for each day late, until show results are received. (The date of the postmark will be used for determining whether late fees apply.)

Amateur Classes – These classes do NOT count for OFEA year end awards because they are restricted to OHA members holding Amateur cards. (Shows that do not also offer open classes for 18 & Over competitors will not be OFEA approved).

Lead Line - Lead Line exhibitors may not cross-enter into ANY other riding classes in Open, Schooling, and Gaming shows. OFEA's Lead Line year-end award can be an Open Division and/or Gaming Division award for riding classes only. (If Show Management chooses to offer Lead Line classes in Schooling shows, OFEA members do not earn points for those classes.)

10 & Under Walk Trot – OFEA rules do not allow members who compete in 10 & Under Walk Trot Age Division to cross-enter into ANY canter class in Open, Schooling, and Gaming Shows.

Year End Award Participant Eligibility – You do not need to ask or track for OFEA Year End Award Participant Eligibility. When we receive your show sheets, we will identify which participants are eligible or not.

Approved Helmets for Youth in Gaming/Hunter Hack – Although not a new rule, OFEA is asking all show manager to enforce this rule: ASTM/SEI approved helmets strongly recommended for all riders 17 & Under. Hunt cap or bowler allowed for all English classes on the flat. ASTM/SEI approved helmets required for all gaming, jumping, and lead line classes.

OFEA rules – While we encourage show management to have as many show approvals possible for members, OFEA rules must prevail.
